Patrick Dempsey **called off his divorce** to his wife of 17 years, Jillian, recently and was seen with her in Rome this week at a romantic dinner for two.

A spy said the duo was at Antica Pesa by a fireplace where “they were very intimate . . . staring lovingly into each other’s eyes.”

The lovebirds arrived at 9 p.m. and left at midnight.

Former “Grey’s Anatomy” star Dempsey was unceremoniously killed off from the show after reportedly **being a diva on set**, but he’s bounced back with recent film “Bridget Jones’s Baby.”
