Madonna & Tom Hardy Enjoy A Romantic *Dark Knight* Out?!

Reactions

Could it be?! Is **Madonna** dropping her much younger **manz** for a slice of **Tom Hardy**'s scrumptious beef-cake?!

The pair *were* spotted Thursday evening dining at Brooklyn's Antica Pesa...

But not to worry, as their choice of restaurant was purely coincidental!

Madonna, a few of her MDNA dancers, and her kiddies **Lourdes** and **Rocco** noshed on dishes that included calamari, fried mozzarella, cacio e pepe, seasoned vegetables, tortellini pasta, seabass and cod.

A mere two tables away, Tom and pals slurped on spaghetti cacio e pepe and munched on such fare as schiaffoni all'amatriciana, mezze maniche alla carbonara and baccala alla romana.

And according to an onlooker, Her Madgesty was being "the coolest mom in the world," while Lourdes was snapping pics with her male companion.

Phew!

VERY glad to hear that Madonna is NOT cheating on her cougar-cub, and that Tom hasn't forsaken HIS **adorable** ladylove **Charlotte Riley** either!

Honestly, we'd be pissed too.

As we reported, **a very insensitive and very unfunny joke Pete Davidson** made following the Manchester bombing (which happened at his now-fiancée **Ariana Grande**'s concert) resurfaced earlier this week, and now the 25-year-old songstress is speaking out.

ICYMI, **the 24-year-old comedian** said during one of his shows last fall, "**Britney Spears** didn't have a terrorist attack at her concert," referencing the bombing which killed 22 people and injured 59 in May 2017.

Is your life just as empty because you worship Madonna? I would think that's even more pathetic than hating her, especially seeing that she'll never acknowledge you. brad says - reply to this 8 And all the naysayers-the ones who said that I was talentless,that I couldn't sing,that I was a one hit wonder-they helped me too.Because they made me question myself repeatedly and they pushed me to be better.I AM GRATEFUL FOR THEIR RESISTANCE! 1992: This is me at age 15! This TBT video goes back to freshman year of high school! My creative writing teacher gave us an assignment to create some kind of representation of who were were. It was very open-ended. I decided to make a movie! This was a decade before I had a computer. I edited it by going back and forth between the old camcorder and the VHS machine. Fascinating in hindsight to see all the things I included in this - and the songs I chose! Life!!! I love mine and the journey! Watch this video in full HERE: <https://goo.gl/f6yCVt>
