Madonna: Kabbalah with the Kids!

Madonna makes a quick entrance into the Kabbalah Center while all bundled up for the chilly day on Saturday (March 9) in New York City.

The 54-year-old entertainer was accompanied by three of her children, **Lourdes**, 16, **Mercy**, 8, and **David**, 7.

Last week, **Madonna** and **Lourdes** met up with some dancers from her **MDNA** tour at Antica Pesa in the Williamsburg section of Brooklyn, where they dined on yummy Italian cuisine.

An onlooker commented that **Madonna** seemed like the "coolest mom in the world," according to *People*. That same evening, **Tom Hardy** was also dining at the same restaurant!

10+ pictures inside of **Madonna** and her kids heading to Kabbalah...
