The Roman holiday continues!

Sporting hats, Ashton Kutcher and Mila Kunis stepped out on Friday night to enjoy a meal at Checchino in Rome's Testaccio district.

Kunis, 29, is bundled up with a scarf, while her beau Kutcher, 34, is sporting a very different accessory – a plate!

While Kunis has been in town to shoot her new movie, *The Third Person*, the couple has been spotted taking evening strolls, indulging in local fare, holding hands and sightseeing.
