

Elton roams Rome

SIR **Elton John** spent the weekend parading around Rome, where he celebrated his 71st birthday with husband **David Furnish** and sons **Elijah** and **Zachary**. Italian sources tell Page Six that the couple left the kids at home to spend a pre-birthday dinner Saturday with VIP friends at celeb fave restaurant Antica Pesa. The singer was in "great spirits and full of life," said a spy of John, who arrived at about 8 p.m. and was greeted by Gucci creative guru **Alessandro Michele** with a big hug. "Elton and David indulged by sharing a carbonara pasta," our source added. "Elton, completely dressed in Gucci, wore a crucifix around his neck — appropriate for the Vatican, not far away."
